NOT JUST BRICKS AND MORTAR

Camp Conquest, a Christian camp, retreat, and activity center operated by the Northern Atlantic District in the rolling hills of northern Lancaster County, PA, has been effectively changing the lives of young people for the glory of God. Grace Brethren Investment Foundation has provided financing for their growth, including a recent loan to complete the construction of a second dormitory in time for the 2009 summer camping season.

Camp Conquest's Executive Director, Michael Gehlert, a graduate of LeTourneau University and Philadelphia Biblical University,

is very eager to express his thanks to the investors of Grace Brethren Investment Foundation (at right).

At Grace Brethren Investment Foundation, we invest in people, not facilities. Our loans are used by the Lord to yield eternal dividends in the lives of men and women, boys and girls. Thank you for investments that have eternal value!

Dear GBIF Investors,

Camp Conquest serves the local church in the ministries of evangelism and discipleship in the camp setting. As a result of facility upgrades, Camp Conquest has seen a 50% increase in summer campers, and a significant increase in guest group activity throughout the entire year.

These facility upgrades are not just bricks and mortar. The upgrades have attracted more people to the camp and have therefore allowed more people to be introduced to the love of our Lord and Savior, Jesus Christ.

THANK YOU for your investment in the lives of children in the Northern Atlantic District of the FGBC. Thank you for making an impact for eternity in the hearts of our volunteers and campers.

The \$75,000 loan received from GBIF allowed Camp Conquest to complete Lutz Lodge in time for Summer Camp 2009. Now, a donor has put up a \$25,000 matching challenge for us to be able to pay off this loan in early 2010!

We invite you to visit us either in person or online at www.campconquest.org. Thank you for your contribution to the growth of this exciting ministry of evangelism and discipleship in the camp setting.

Serving with you at camp,

Michael R. Gehlert
Executive Director

Adding Life to Your Years!

Dear GBIF Investors,

I am writing to you today from an expanded facility that was made possible by the financial support of Grace Brethren Investment Foundation and the strategic planning of our Board of Trustees at Grace Brethren Village.

The Village has been caring for the needs of aging and infirmed seniors for the last four decades and has renovated and expanded its physical facilities in the last 15 years through a series of building improvement and addition phases, assisted along the way by GBIF.

Our Board of Trustees and administration would like to express our sincere appreciation to GBIF for the financial assistance in making this dream a reality, especially during a very critical time in our nation's economy. We have included some photos to give you a feel for the fantastic addition that GBIF made possible.

This addition has given our facility a warm, welcoming atmosphere in which to greet our visitors and a more productive work environment for our administrative staff.

Thank you!

Gene Geaslen
Executive Director

This is the catchy motto of a very successful retirement community, Grace Brethren Village, located in Englewood, Ohio and managed by a board of trustees from the Tri-State District of the Fellowship of Grace Brethren Churches. Founded in 1968, the mission of Grace Brethren Village is ... *To provide the love of Christ through our staff by sharing daily with the residents through compassionate physical, emotional, and spiritual care to enhance the celebration of life by Adding Life to Your Years.*

With the assistance of Ken Seyfert, GBIF Executive Director of Operations, the Foundation recently provided financing for the construction of a new 5,200 square foot addition, which includes a reception area lounge, office space for eight administrative personnel, a resident family lounge, a staff lounge, and additional space for records and storage.

Gene Geaslen, Executive Director for Grace Brethren Village, expresses his appreciation to the investors for the enhanced ministry facilities (letter at left).

Grace Brethren Investment Foundation is excited to invest in the lives of people who have served Christ faithfully over the years and are now "adding life to their years" in a well-deserved retirement and in a community of fellow believers.

THANK YOU, GBIF INVESTORS!
